Stylish gait and flashy color. Very affectionate 6 yr old mare, with loads of personality. Size 15-1 Elegance recently completed 120 days of training with natural trainer, Anita Howe of Howe They Walk Farm ([www.howetheywalk.com](http://www.howetheywalk.com)). Natural Horsemanship fundamentals were emphasized, trained barefoot in snaffle bit. Elegance now carries a naturally fluid 4-beat, balanced, head nodding flatfoot walk and running walk. Elegance is a three gait horse with a solid foundation established for both leads of her rocking chair canter, though some polish work would be beneficial.

Previous show experience. Elegance is current on all vaccinations and dental work. She clips, baths and loads. Elegance had a 2009 foal with her same lit-up coloring and she was a wonderful mother. Elegance responds best to a confident rider with quiet hands.
